A Note from the Directors:

We are very pleased to offer a program that we are sure will meet the needs of many people and make dental assisting the career that changes lives.

We feel that we have a unique school environment where students can learn in an active dental practice. Our students receive hands-on experience in all aspects of dentistry with the latest technology. This experience provides the student with a significant edge in the marketplace.

Thanks for taking the time to investigate the next best step in your life. Please call our office with any questions you may have.

Regards,

Jerry C. Sells, DMD, MAGD

Alicia Sells Colp, RDH

Christy Sells Smith, RDH

Things You Need to Know

Time: Classes run from 6pm to 9pm on Monday and Tuesday evenings, beginning Aug. 11, 2025. You need to attend all classes.

Tuition: \$5499.00 (payment plans available on Registration Form on website BentonDentist.com)

Books: All books are included.

Supplies: All supplies included.

Instructors: The course is directed by a Dentist, Certified Dental Assistants and Registered Dental Hygienists who have had thousands of hours of experience.

Hands-on experience: Because dental assisting is a "hands on" work environment, course work is designed to focus on developing those skills.

Externship: In order to graduate all students must complete a 30 hour externship working in a dental office. The experience may be completed any time during or after course work. The starting salary for an experienced assistant is significantly higher than someone with no experience!

Certification: In Kentucky, certification is required for all assistants performing radiographic procedures. Upon completion of this course you will receive an X-ray certification, diploma, a letter of recommendation and summary of your training experience.
